

UNC Chapel Hill - The College of Arts and Sciences

As the largest unit at UNC Chapel Hill the College of Arts and Sciences forms the academic core of “the Carolina experience.” The College includes more than 40 academic departments and interdisciplinary curricula. Exchange students can only take courses in the College of Arts and Sciences unless otherwise stipulated (i.e. MEJO or SILS programs). You will not be permitted to take classes offered in UNC Chapel Hill’s professional schools. Listed below are the departments within the College of Arts and Sciences with the appropriate subject codes. Please refer to the UNC catalog for courses description, <http://www.catalog.unc.edu/>.
