The University of North Carolina at Chapel Hill was founded in 1793 as the first public state university in the young United States. Since then, it has grown into one of the most renowned teaching and research universities in the country and internationally, and ranks highly on a global scale. Chapel Hill is a small college town with roughly 50,000 residents, of which 18,500 are undergraduate students and 10,000 are graduate students. The area boasts rich cultural, historic, dining, and sports opportunities that allow students to experience college and community life in the United States.

Although Chapel Hill itself is small, Raleigh, the capital city of North Carolina is only 30 minutes away, and Washington DC can be reached in around 4 hours. The university is also within close driving distance to the beach and the Blue Ridge Mountains. Rolling hills, gentle winters, and picturesque dairy farms all add to the lovely setting of Chapel Hill, which is known as the Southern Part of Heaven.

Housing/Meals

Housing

On-Campus Housing: International students can select from the 31 campus residence halls. Double occupancy rooms are the only option. Apartment style housing is limited. Learn more about the residence halls and rates at https://housing.unc.edu/

Off-Campus Housing: International students can reside off-campus. Students who choose to live off-campus are responsible for finding their own housing. More info at https://offcampus.unc.edu/

Meals
Students are not required to purchase a campus meal plan, but it is strongly recommended. Several meal plan options are available that can meet a student’s dining habits. Check out the various meal plan options and rates at https://dining.unc.edu/meal-plans/

Transportation
Chapel Hill Transit provides fare-free bus service between UNC, Chapel Hill, and Carrboro. For more information about transit options, visit https://move.unc.edu/transit/
Immunizations

Students will be responsible for providing proof of immunizations upon their arrival to campus, no later than 30 days from the start of classes. Visit https://campushealth.unc.edu/services/immunizations for information on required immunizations. Step-by-step instructions on how to complete the Medical History and Immunization Forms will be available to exchange students post-acceptance.

Health Insurance

All students are required to have health insurance coverage. International students can enroll in the university insurance program, Student Blue. Exchange students can waive the Student Blue insurance and substitute it for a preferred insurance policy. Preferred policies must meet the following requirements:

- Minimum total benefit/coverage of $100,000 (USD) per accident or illness
- Plan deductible of no more than $500 (USD)
- Minimum of $50,000 (USD) for medical evacuation
- Minimum of $25,000 (USD) for repatriation
- Policy must be active for the entire duration of the academic semester

Students cannot start the process of waiving out of the mandatory insurance until after acceptance to the exchange program. More details about the specific waiver process will be provided post-acceptance.

Medical Care

International students at UNC are eligible to use the university's Campus Health Service (CHS), which can provide care for minor illnesses and accidents, immunizations, injections, and other medical services. For specialized treatment, students are referred to medical specialists in the community. Visit https://campushealth.unc.edu/ for more information about CHS, including services available, hours of operation, and important phone numbers.
### Orientation & Campus Resources

#### Mandatory Orientation

All exchange students and Global Visiting Students are required to attend orientation at the start of the exchange program. Orientation is a full day session scheduled the day before the first day of class.

#### Visa

International exchange students will apply for an F1 visa. This visa will allow you to enter the US 30 days prior to the program start date listed on your I-20 form and depart the US 60 days after the program end date listed on your I-20 form. Proof of funds in the amount of USD $9,500 for one semester and $19,000 for an academic year is required to be issued an I-20 form.

Additional information can be found on the [U.S. State Department’s Study & Exchange website](https://studyabroad.unc.edu/incoming-exchange/program-overview/).
